

# Belcarra Garden Club Chaberton Estate Winery Field Trip—June 16, 2025

ESTD 1991  
**CHABERTON**  
ESTATE WINERY

**2022 UNOAKED CHARDONNAY BC VQA**  
Aromas abound of pineapple and lemon tart while the flavours of lime and apricots dance on the palate. Aged on the lees for five and a half months with the combination of whole bunch press and short skin contact to give a full roasted hazelnut note.

**2022 Estate Grown MADEIRNE SYLVANER BC VQA**  
23 % of this vintage was fermented in french oak barrels on the lees for 5 months, while the rest of the vintage was aged and fermented on the lees in stainless steel. This brings out a full mouth feel on the wine with notes of vanilla and fresh floral flavours and aromas of yellow plum and papaya.

**2024 RIESLING YAKIMA WA**  
A vibrant and expressive wine, with a distinctive character that reflects both its growing region and it's British Columbia terroir. Off-dry with flavours of juicy peach and zesty pomegranate, this Riesling showcases a harmony of sweetness and bright acidity.

**2024 Estate Grown REICHENSTEINER BC VQA**  
An elegant, fresh wine that showcases the purity and minerality of Langley's terroir. The slow fermentation and time on the lees has created a wine well balanced in its bright fruit profile and crisp acidity. With aromas of apricot, melon and papaya, and juicy yellow apple and citrus on the palate.

**2024 LA FLEUR DE CHABERTON BC VQA**  
This province style Rose takes 75% Cabernet Franc and incorporates Pinot Noir, Madeirne Sylvaner, Gewürztraminer, and Pinot Blanc in a combination of whole bunch press and de-stemmed grapes to produce a pale tangerine hue and citrus flavours. The nose is fresh with notes of mineral, citrus, and cantaloupe, while the flavours of grapefruit and a lemon twist fill out the palate with a finish of soft acidity and a creamy round mouthfeel.

**2023 Estate Grown ZWIEGELT BC VQA**  
With aromas of sweet cherry and vanilla, with a hint of spice, this estate grown varietal has silky tannins and flavours of cranberry, blackberry and cherry. Medium body on the palate, a delicate balance of fruit-forward intensity, herbal complexity and an oak aged finish offering a contained intrigue and enjoyment.

**2020 MERITAGE BC VQA**  
An elegant full body blend of Merlot, Cabernet Sauvignon and Cabernet Franc is spicy on the nose with notes of black currant, ripe pomegranate and dried cranberries with hints of nutmeg and bay leaf. Refined flavours of black olives, pomegranate, vanilla and baking spices accentuates an extended long finish.

**2021 CABERNET SAUVIGNON BC VQA**  
Warm notes of aged pomegranate, tobacco, black currant, and black olive build this full bodied wine. Smooth tannins and savory flavours of blackberry, white pepper and plum round out this bold Cabernet Sauvignon.

ESTATE WINERY

**2024 Estate Grown FRITZREITER SIEGERREBE BC VQA**  
Fresh flavours of lemon, orange and honeysuckle dance on your palate, while the notes of apricot and peach enhance the nose of this bubbly wine. Beautifully aromatic with a fresh fruit-forward character, this fun wine is complemented by a complexity brought forth by the extended aging on the lees. It's vibrant acidity and expressive flavours make for a wonderful all around wine.

**2024 Estate Grown ORTEGA BC VQA**  
Well-balanced, aromatic white with vibrant fruit and creamy vanilla on the nose, a fresh, crisp acidity, and a touch of complexity from the lees aging. Its clean, fruit-driven character combined with a smooth texture makes it a versatile wine.

**2022 Estate Grown MADEIRNE SYLVANER BC VQA**  
Of this estate grown varietal 23% of the vintage was fermented in french oak barrels on the lees for 5 months, while the rest of the vintage was aged and fermented on the lees in stainless steel. This brings out a full mouth feel on the wine with notes of vanilla and fresh floral flavours and aromas of yellow plum and papaya.

**2022 Barrel Aged CHARDONNAY BC VQA**  
Barrel fermented and aged on the lees for 10 months, and undergoing malolactic fermentation alongside alcohol fermentation. Aromas of baked popcorn and sweet warm breads with a refreshing palate of honey-lemon, brown butter, and toasted brioche.

**2023 CHABERTON PINK BC VQA**  
The Zweigelt Gewürztraminer blend underwent 48 hours of skin contact together to obtain that deep pink colour. The free run juice was joined by Pinot Noir, Pinot Blanc and Pinot Gris to produce wonderful notes of strawberry, raspberry, and cranberry. Leaving vibrant notes of pomegranate and watermelon on the palate.

**2023 Estate Grown GAMAY NOIR BC VQA**  
Flavours of ripe blackberry and licorice plum unfold, harmonising beautifully with the berry-driven nose. There's an enticing brightness that draws you in, suggesting both freshness and complexity.

**2019 MERLOT BC VQA**  
Dark fruits, black cherry and strawberry aromas rise from the glass, leading to flavours of mulberry and raspberry pie accented with a medium acidity.

**2021 SYRAH BC VQA**  
Aged in heavy toast barrels of 50% new barrels of mostly French oak. Enriching bouquet of cinnamon and clove, weaving together a nose of spice and smokiness. On the palate, the Syrah continues to impress with rich and velvety tannins. The initial taste reveals a mouth watering taste of smoked, savory character, beautifully intertwined with the deeper darker notes of pomegranate.
